## Term Contract No. 680A

Users may contact contractors to negotiate better discounts for large quantities.

### 10. Catalogs and Price Lists

Contractors are required, upon the request of any user, to provide the user with catalogs and descriptive literature of contract items within 5 business days of the request. This information will be provided at no charge to the user.

### 11. Contractors

All known minority, women and disabled owned businesses, as well as disabled business enterprises and nonprofit work centers for the blind and severely disabled, including dealers, will be identified with "Minority owned" "Woman owned", "Disabled Owned", "DBE" or "BSD" as appropriate after the vendor number. This is being done in an effort to recognize these businesses and to encourage and promote their use to the greatest extent permitted by law.

When more than one supplier is listed for a particular item, selection should be made, whenever possible, from any of the groups identified above, consistent with agency needs and price considerations.
